Amaterra

Location: Trelawny

Along the sapphire seas of the north coast, between the island's two largest tourist centres Montego Bay and Ocho Rios, the Amaterra Resort development spans over 1,030 acres of prime land with an assortment of resorts, residential and commercial properties blended into the scenic topography of Duncans Trelawny. Within 10 minutes of the historic Falmouth Pier, Amaterra bears several features; expansive sandy beaches, accentuated by majestic limestone cliffs towering above the Caribbean Sea with direct exposure to the north-east trade winds.

The proposed development comprises of over 40 approved parcels of land which can be further subdivided into residential lots and five parcels for five (5) five star hotels, providing over 2,300 rooms, all overlooking the Caribbean Sea 100-acre Commercial Centre.

Amaterra Jamaica Limited is seeking investors, developers and operators interested in purchasing, leasing or doing joint ventures for each parcel of the land as per the approved subdivision plan.
