

## TOURISM

# Jobson Peninsula

Location: Trelawny

Jobson Peninsula is an extensive 380-acre (~1,547,358 m. sq.) property, with easy access to the North Coast Highway from Montego Bay to Ocho Rios. The property is four miles from the North Coast Highway and 17 miles from Sangster International Airport. The property offers more than 1.5 km of pristine white sandy beach located in the Parish of Trelawny. It lies within walking distance of the historic, romantic town of Falmouth, which boasts a port used by the world's largest cruise lines.

The property is suitable for Eco Resorts, Hotels, Timeshare, and a Private Marina and related activities

Proposals for joint venture partnership, partial divestment or full sale of the property, or other feasible investment modality are welcome.
